

# CVS Pharmacies, Numerous Sites

*Metro Area & Greater Minnesota*

**Type:** Site Feasibility, Design, & Development

**Owner:** CVS Pharmacies

**Developer:** Velmier Companies

**Locations:** Throughout Minnesota

**Loucks Contact:** Vicki VanDell

## Project Description

Since 2003, Loucks Associates has been providing site development and engineering design services to CVS Pharmacies for various sites throughout the Minneapolis and St. Paul metro area. Loucks Associates worked with CVS Pharmacies in the development of a due diligence report which provides various information and criteria in analyzing site suitability, including a conceptual layout. After CVS Pharmacies determines a site suitable for development, Loucks Associates provides land surveying, planning, zoning, site planning, as well as landscape and engineering design services in the construction of the project.

## Disciplines Represented

- Planning
- Civil Engineering
- Land Surveying
- Landscape Architecture
