

# Dunwoody College of Technology

Minneapolis, Minnesota

**Type:** Urban college

**Owner:** Dunwoody College of Technology

**Address:** 818 Dunwoody Boulevard,  
Minneapolis, MN 55403

**Contact:** Bill Jordan, 612/374.5800

**Contract Amount:** \$90,000

**Construction Administrator:**  
Loucks Associates

**Loucks Contact:** Andy Berenberg

## Project Description

Loucks Associates developed a master plan for maximizing parking spaces for over 1200 cars while providing a pedestrian-friendly access to the main entrance. A strategically designed parking entrance allowed for security of student parking and separation of visitor parking. In addition, the fast-track project required a design, approval and construction sequence to allow the school to open for the fall session with a newly paved parking facility. This project has been completed.

## Disciplines Represented

- Civil Engineering
- Land Surveying
- Landscape Architecture
